FOR IMMEDIATE RELEASE

From: **Fred Sitter, Marketing Communications Director**

Duro-Last® Roofing, Inc. Hires Additional Staff

Saginaw, Michigan – August 24, 2009 – Duro-Last® Roofing, Inc., the world's largest manufacturer of prefabricated roofing systems, is pleased to announce the addition of two employees to its staff to accommodate the needs of contractors and provide the continued customer service that has made this company the leader in the roofing industry.

***Steven W. Przybylski** has joined Duro-Last as National Production Manager based out of the Saginaw, Michigan office. He is responsible for overseeing the operation of all the Duro-Last manufacturing plants, including production, quality, inventory, and safety, with the overall objectives of meeting customer delivery requirements and company sales and profitability goals.*

Przybylski brings with him over 20 years of education and manufacturing experience from Delphi Corporation, where he was most recently a plant quality assurance manager at Saginaw Steering System Division.

He is a graduate of the University of Michigan with a Bachelor of Science – Mechanical Engineering degree. Przybylski also holds many certifications, including Six Sigma Blackbelt Problem Solving, Shainin Red X Master Problem Solving, Shainin Green Y Risk Reduction Problem Solving, and Lean Manufacturing.

He resides in Bay City, Michigan

Marty Krolikowski has taken on the responsibility of Regional Sales Manager, Rocky Mountain Division. His duties include business and corporate accounts development; assisting Duro-Last independent sales representatives and contractors in the Rocky Mountain region of the United States; and increasing architectural involvement in specifying the Duro-Last roofing system. He will be based out of the Saginaw, Michigan office.

Prior to joining Duro-Last, Krolikowski spent 15 years in management in the building materials industry.

He resides in Midland, Michigan.

With corporate headquarters and a manufacturing facility in Saginaw, Michigan as well as other locations in Grants Pass, Oregon; Jackson, Mississippi; and Sigourney, Iowa, Duro-Last® Roofing, Inc. is the manufacturer of the “World’s Best Roof”®. Since 1978, Duro-Last has produced a custom-fabricated, thermoplastic single-ply roofing system that is ideal for any flat or low-sloped commercial or industrial building. Energy-efficient and extremely durable, the Duro-Last roofing system is also leak-proof, virtually maintenance-free and resistant to chemicals, fire, punctures, and high winds. In addition to the Duro-Last roofing system, the company’s brands include the Duro-Last Cool Zone®, the Duro-Shield metal retrofit, and the Duro-Last Designer Series roofing systems.
